

## Instructions to apply for fellowships 2021-2022

**Important Note: It is the responsibility of the applicant to be aware of the fellowships deadlines**

Please be aware of the Banner self-service Session time out which is 5 minutes while filling your application. The session time out occurs when no action is taken on the SSB page after login.

**New applicants** who are in the process of being admitted or have already received their admission decision must follow **Step I** to sign up to the AUC Banner system.

You will **NOT** be able to submit a fellowship application unless you have received a valid AUC ID number.

*The system will not allow you to apply to fellowships unless we have your graduate application record.*

*If you have already or recently submitted your graduate application and received a Student Identification Number please allow 10 days before starting the online fellowship web application process.*

*If one week after receiving your Student Identification Number the system still does not allow you to start the process please contact [gradwebapp@aucegypt.edu](mailto:gradwebapp@aucegypt.edu) for technical assistance.*
