

Instructions to apply for fellowships 2018-2019

Important Note: It is the responsibility of the applicant to be aware of the fellowships deadlines

Please be aware of the Banner self service Session time out which is 5 minutes while filling your application. The session time out occurs when no action is taken on the SSB page after login.

New applicants who are in the process of being admitted or have already received their admission decision must follow Step I to sign up to the AUC Banner system.

You will NOT be able to submit a fellowship application unless you have received a valid AUC ID number.

Continuing students who are currently enrolled at AUC do not need to go through Step I and can go directly to step II.

The system will not allow you to apply to fellowships unless we have your graduate application record.

If you have already or recently submitted your graduate application and received a Student Identification Number please allow 10 days before starting the online fellowship web application process.

If one week after receiving your Student Identification Number the system still does not allow you to start the process please contact gradwebapp@aucegypt.edu for technical assistance.
